Strategic Transition With Crowe Chizek Solidifies ECC As Premier Business Hiring Solutions Firm

ECC's Enterprise Solutions group uniting with Crowe Chizek to build a presence in Texas, allowing ECC's Business Hiring Solutions division to strengthen its position as one of the leading recruiting firms in the United States.

IRVING, Texas, May 12, 2008 – ECC announced today that it will transition its service offerings to focus entirely on building its growing national Business Hiring Solutions practice. In conjunction, the professional services group, Enterprise Solutions, will join Oakbrook, Illinois-based Crowe Chizek to open a Dallas/Fort Worth, Texas, office.

ECC has historically delivered solutions to ensure their clients' human capital strategy and business objectives are achieved by offering hiring solutions to companies in need of Information Technology and Accounting or Finance resources. Through their Enterprise Solutions group, they have also provided business advisory services, such as Corporate Governance and Compliance, Internal Audit Services, Business Risk Services and Technology & Security Risk Solutions to clients in a variety of industries.

"We have enjoyed a successful run with both our recruiting and our consulting divisions since our establishment. However, we feel this decision best serves our clients and candidates, as well as ECC's long-term goals," said Christine Conwell, ECC CEO. "Our commitment has always been to help others be successful, whether that be a hiring manager or an applicant, and that will never change."
