

FOR IMMEDIATE RELEASE

STOCKING FOR SENIORS
Food Shelves Sorted By ECC Employees

IRVING, Texas, June 4, 2007 –

Steve Conwell, ECC Executive Vice President and Co-founder, says, “Our mission statement is ‘Helping Others Be Successful,’ and we try to give back to the community as much as possible. When you’ve seen one of your own employees affected by a disease, it motivates you to get involved and make a difference.” ECC is involved in the community with organizations such as Christian Community Action (CCA), YMCA, SPCA, Promise House, Texas Youth Commission (TYC), and Dallas Life Foundation (DLF).

CCA operates a medium-sized, fully stocked grocery store for low-income families in the 46 communities CCA serves. The pantry assists over 550 families each week and is the primary and first response to the financial challenges presented by families in distress. Clients are counseled to reserve household income for rent, utilities, childcare, health needs and other basics of life. The goal is to provide for 65% of the food needs of the impoverished citizens in the community.

Food and money are donated by individuals, churches, schools, organizations, businesses and corporations. Financial gifts are used to purchase groceries from the North Texas Food Bank at the bargain rate of 14 cents per pound. Volunteer groups sort, price and stock incoming donations and serve as cashiers, baggers, and aides who assist customers with shopping and loading of their vehicles. To donate, please go to http://www.ccahelps.org/Services_food_pantry.htm. Drop off contributions can be made at:

About CCA

Christian Community Action (CCA) was founded on February 22, 1973, by a small group of Christians studying the Bible in search of the meaning of love. They were compelled by what they had learned and committed to become a visible channel of God’s love. It was this resolve that led to the organization of a continuing community effort focused on living out the mandate of Jesus Christ to care for “the least of the brethren.” Since its inception, CCA has been instrumental in addressing the needs of the underprivileged in Southern Denton County by helping them develop the skills to get back on their feet both financially and spiritually.
